The market for laboratory analytical instruments in India is growing at a rapid pace owing to the increasing requirements for environmental monitoring and growing industrial needs. According to the India Analytical Instruments Market Forecast & Opportunities, the Indian market for analytical instruments is expected to grow annually by over 11 percent between 2013 and 2018. analytica Anacon India and India Lab Expo 2016, India's largest platform for the laboratory technology, analysis, biotechnology and diagnostics market takes place from October 20 to 22 at the Hitex Exhibition Center in Hyderabad.

analytica Anacon India and India Lab Expo are together the biggest show in laboratory technology, analysis and biotechnology in India. The international trade fair is the most important industry gathering in India. The trade fairs cover the entire range of topics that pertain to laboratories in research and industry. The trade fairs cover around 10,500 square meters of exhibition space spread across three halls.

analytica Anacon India and India Lab Expo 2016 are supported by the Indian Analytical Instruments Association (IAIA), The Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry (FTAPCCI), Federation of the small and medium enterprises (FSME), Indian Drug Manufacturers' Association (IDMA), Indian Chemical Council (ICC), Ambala Scientific Instruments Manufacturers Association, National Small Industries Corporation and Telangana Chambers of Commerce and Industry.

Bhupinder Singh, CEO of Messe München India, says: "analytica Anacon India and India Lab Expo reflect the current state of the industry. The three-day event once again offers an eclectic combination of accompanying programs, business networking and chance to meet the market leaders. The 2015 edition put us in the leading position on the Indian market for analysis, laboratory technology and biotechnology. This year, too, we expect analytica Anacon India and

India Lab Expo to continue their positive development with more than 300 exhibitors and 8,500 visitors. In addition, the trade fairs will also feature international country pavilions from Europe and China.”

Few of the key exhibitors participating this year include Abdos Labtech Pvt. Ltd, AJ Instrument India Pvt. Ltd., Akshaya Scientifics Pvt. Ltd., Art Lab Equipments, Brand Scientific Equipment Pvt. Ltd., Glassco Laboratories Equipments Pvt. Ltd., Glassco Laboratories Equipments Pvt. Ltd., IKA India Pvt. Ltd., IKA India Pvt. Ltd., Newtronic Lifecare Equipment Pvt. Ltd., Osworld Scientific Equipments Pvt. Ltd., Perkin Elmer (India) Pvt. Ltd., Smart Labtech Pvt. Ltd., Sudha Analyticals, Tarsons Products Pvt. Ltd., Trident Labortek, Phenomenex India Pvt. Ltd., Rephipro Laboratory Solutions LLP, Cryogen Instruments India Pvt. Ltd., V M Sciences, Agilent Technologies, Inventys Research Company Pvt. Ltd., Remi Elektrotechnik Limited, Anton Paar India Pvt. Ltd., Sanbij Impex Pvt. Ltd., Showa Denko Singapore Pte Ltd., Sawant Pumps, Labguard India Pvt Ltd., Daicel Chiral Technologies (India) Pvt. Ltd., Shimadzu Analytical (India) Pvt. Ltd., GD Lab Solutions Pvt. Ltd., Waters India Pvt. Ltd., Microlit, LNI-Schmidlin (India), LCGC Chrom Consumables LLP and ION Exchange (India) Ltd.

For the first time ever, the Indian trade fairs stage Live Labs. Live Labs give manufacturers the opportunity to present their latest products and systems for the pharmaceutical industry in actual use. Further highlights are educational workshops on lab handling and live demonstrations on laboratory safety, where lab staff can learn how to prevent themselves from accidents. After its success in 2015 with over 350 participants, the buyer-seller forum will again bring together companies with potential clients. The analytica Anacon India and India Lab Expo conference gives insights on topics like analytical quality, environment analysis, food safety and pharmaceuticals.
